

## Warming Souls – Winter Shelter for the Homeless

There are many people who find themselves homeless in Wichita – for a variety of reasons, and varying lengths of time. The colder months of the year are especially difficult, and can be potentially life-threatening, for the homeless.

Inter-Faith Ministries, comprised of people representing many faith traditions in Wichita, operates the Warming Souls Winter Overflow Shelter for the homeless in Wichita. The Shelter typically opens on 1 November and remains open through March. Anyone desiring to stay at the shelter for a night can sign up at the Inter-Faith Inn after 6:00 pm each day.

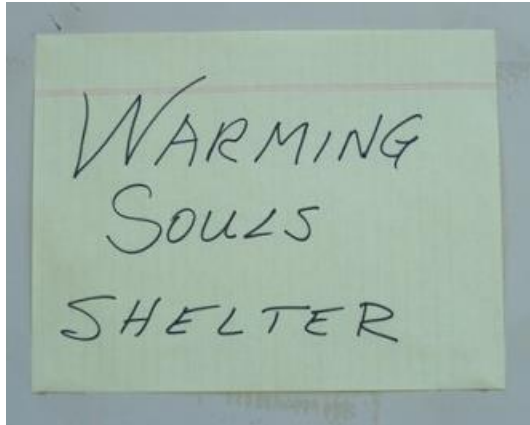

In rotation with other groups, our committee helps to support staffing of the Warming Souls Shelter – typically for four (4) evenings and mornings each season.

Many of those homeless actually work, and are unable to get to The Lord's Diner before it closes, for an evening meal. On days assigned, the support groups provide makings for a basic meal in the evening for those who miss The Lord's Diner hours, and then offer a hot breakfast to all who wish before they leave the Shelter in the morning.
