ST. ELIZABETH
ANN SETON

ANNUAL REPORT

A LETTER FROM OUR PASTOR

Dear Parishioners of St. Elizabeth Ann Seton,

Greetings from your Pastor! As we end my second fiscal year in this role and continue moving forward as a parish family, I am so proud of the many different ways that we continue to grow here at SEAS thanks to the support from so many of you! This year's Parish Annual Report provides just a snapshot of the many different ways we grow in this parish that never seems to slow down. In addition to giving you a financial report accounting for all of the money taken into our parish from you, our faithful, and reporting how this money was spent for transparency; it is also great to see all that we have going on in this huge parish family. This Annual Report allows everyone to see what we are working towards each day!

The stewardship way of life encompasses so much here at SEAS; without every aspect being fulfilled, financially it would be difficult to "invest" in what it is we are trying to provide for all of our people. This report will provide a snapshot of the faith lived through our commitments to liturgy and sacraments, hospitality and service to others, education and formation. I hope that you find it informative and helpful, but also maybe a little surprising.

I would like to take this opportunity to say thank you, also, to everyone who works so hard and sacrifices so much to make our parish the wonderful place that it is. To those that feel otherwise, and see things that can be done differently and ways that we can improve our numbers, let me know! After that, get involved, invest in your parish and make a difference here next year! We are only as strong as what we are able to do together!

I am so very thankful to be your Pastor! Hopefully the information presented in this Annual Report inspires all of us to do what we can to further this mission of Jesus Christ. Please know that you are all in my daily prayers, and I am always here for whatever you need from me! May God continue to watch over and bless all of you and your loved ones!

Peace,

Fr. Aaron

Pastor of St. Elizabeth Ann Seton, Wichita, KS
