

Wichita Feed My Starving Children (FMSC) MobilePack 2025 Impact Report

What We Did:

502 children won't starve this year because the Wichita Feed My Starving Children MobilePack made enough meals to provide 502 children with one meal a day for a year.

Over four days, from Sept 14 to 17, the FMSC team and volunteers **prepared 183,358 Meals**, which will be shipped to some of the poorest countries in the world. **This is a 12% growth in the number of meals shipped over 2024's Wichita Mobile Pack.**

The Wichita community filled over 1,050 volunteer positions performing tasks such as, packing the four FMSC ingredients: Vitamins, Vegetables, Soy, and Rice, into the plastic bags; as well as labeling bags and boxes, and palletizing the completed boxes. Of course set up, cleaning, and teardown are required to turn Mother Seton Hall at St. Elizabeth Ann Seton Catholic Church (SEAS) into an FDA compliant food processing site and return it to normal operation

The FMSC MobilePack also provided a **stewardship opportunity to more than 500 students**, from Grade 4 through College, to give back. Newman University sent 122 students, and about 30 Newman Alumni packed. *Kids Feeding Kids* is what we call this important part of our childrens' education.

Although we are grateful to SEAS for allowing us to use their beautiful buildings to house the Wichita MobilePack, and most of us on the leadership team are Catholic, FMSC offers food and opportunities to serve many denominations. **We had sponsorship and volunteers from over five different churches working together to feed kids.**

47 Special Needs Adults and 17 of their aides packed with us bringing special joy, innocence, and love, to the entire MobilePack. Enabling God's most dependent people to serve others was incredibly touching.

Scorecard of 2024 Goals

- Deliver more than the 163,358 meals packed in 2024. Goal is a 20% increase to 196,030. This would raise the fundraising goal to \$50,611 - **Exceeded**
- Establish a Fundraising subcommittee - Goal is to receive 50% of our donations through the Fundraising group. - **Financial goal met, but team not expanded.** Fundraising team will be strengthened for 2026.

Future Goals

- Deliver more than the 183,358 meals produced in 2025. The 20% goal would increase to 220,029 meals
- Increase fundraising by adding volunteer fundraising personnel.
